

To all my (former) customers:

As of **12/31/2022**, I will be ending my ONLY motorcycle school: In 2023 I will still conduct certain advanced rider courses, track and off- road events, see

«Annual program, courses, track & off-road events»

As of now I am no longer accepting NEW clients.

For current and former clients, I will continue to be available for individual driving lessons. For advanced rider courses of groups, I'll be available on request.

After 3/1/2023 I will work from my private address (Albisstr. 11, 8800 Thalwil), because from then on I will not have a school location anymore. Meeting point should be like the road traffic office Albisgüetli: Contact 079 333 23 77
