

Those who cannot make it to the Christmas invitation or are prevented from attending, can make use of the Christmas invitation during week 49,

from Monday Dec 5th until Friday Dec 9th,

in each case in the time of 10-20 o'clock with me at the Apfelbaumstrasse 28 come by.

On this occasion you can look around to see if there is anything left that you could use: I will have office supplies like copy paper, but also used Töff clothes, gloves, etc. ready to be taken instead of being thrown away or destroyed. **Anyone who still has clothes, shoes, etc. deponed here would have to pick it up before December 5th.**

Those who still have debts, e.g. have not yet paid for practice hours with the driving school machines, can make up for this on this occasion.

I will - as usual with the invitation - set up the BuKi donation box and give the amount that comes in to Heidi & Stefan from www.buki-hilfe.de !

I look forward to many guests, greetings

Urs
